

# Old Man Pueo

by Keola Beamer

Lord I've seem some pretty sights and I haven't seen them all I've been told  
I've never seen a prettier sight than I have on the South Point Road  
Old Man Pueo, he was standin' on a stone, his body framed by sunset and the sea  
Old Man Pueo, he's always so alone, his feathers caught the colors in the sky  
O Heavenly Father please, o lesu please, I'd give every thing that I need, if someday  
my life could be so free.

*I nā pali o ka 'āina, i nā ua kuahiwi, ola mau loa, ola mau loa, he inoa no ka mana o ka  
pueo*

Lord I've spent some sleepless nights and my heart has been confused I know  
My Life has been a bumpy road and I wish that it could have flowed  
Old Man Pueo could I borrow the strength in your wings? Would they lift me from the  
darkness to the sun?  
Old Man Pueo I'm a stranger in your sky, and I think that you have helped me in your  
own way. O Heavenly Father please, o lesu please, I'd give every thing that I need,  
if someday my life could be so free.
